This certification is to be filed with the U.S. Customs Service, at port of entry, prior to liquidation of the subject Customs entries. The Secretary of Commerce may presume from an importer's failure to file the required certificate that the exporter or producer paid or reimbursed the importer for those duties which were to be paid by the importer. In cases of reimbursement, Customs will assess duties at twice the published rate or margin. This certificate may not be signed by a Customs broker on behalf of its client.
